

ISO 14001:2015 Environmental Management

Website Statement

Selected phosphate products supplied by YANTAI CHEMICAL are available from qualified manufacturing facilities operating under an ISO 14001:2015 certified Environmental Management System.

Certification Scope

Production and related management activities of food additive phosphates and industrial phosphates, including industrial sodium triphosphate, within the applicable licensed scope.

Certification Status

A current ISO 14001:2015 certificate can be provided for the applicable manufacturing source.

Website Use Note

This is the primary ISO 14001 statement. The IQNET document may be retained as supplementary recognition.

Document Availability

Current certification status may vary by product, grade and manufacturing source. Please contact YANTAI CHEMICAL to confirm the applicable certification and request the latest supporting documents.
